The time listed is when the bus will leave each location. Please be sure any students riding the bus are at their pickup location before the listed time. They must have their student ID to board the bus.

If your campus is in one of the "additional schools boarding at this location" columns, please help your students understand this means they will not board at their own campus, but the one to the left of it highlighted in either gold, green, or grey.

Because their campus is hosting, North Dallas students will not have bus transportation. Due to its proximity to North Dallas High School, Booker T. Washington will not have its own stop. Any Booker T. Washington students who wish to ride the bus should board at the campus closest to their home.
